SURETYSHIP!

PRIVATE SURETYSHIP

Is a most dangerous, onerous and delicate relationship, and one which there is now no need to be asked for on the one hand, or granted on the other. It is, therefore, surprising that so many persons, who, probably, have their families to provide for, still consent to be responsible for Bank, Government Officers and others, so rendering the provision which should be for their families, liable to be swept away by another man's defaults.

THE CANADA GUARANTEE COMPANY

makes the granting of Suretyship its special business, and its Bonds are readily accepted by the Dominion and Local Governments, and the Banks, Railways, Boards of Trade, and Commercial Institutions generally throughout the Dominion, in place of private Bonds.

The system gives a surety not only of defalcation being made good without dispute, but it endorses an Employee's reputation.

There is, therefore, NO EXCUSE for any employee to continue to hold his friends under such serious liabilities, as, if he be a reputable person, he can at once relieve them, and be, as it were, SURETY FOR HIMSELF, by the payment of a trifling annual sum to this Company.

REGULATIONS AND RATES.

Letter Rates.—Letters posted in Canada, addressed to any place within the Dominion, pass, if pre-paid, for 3 cents per half-ounce; but if posted unpaid, they are charged 5 cents per half-ounce.

The charge on local or drop letters is one cent for each letter, which must be pre-paid by stamp.

The rates on letters to the United Kingdom will be:

By Canadian Packet, 6 cents per half-ounce.

By Cunard Packet, 8 cents per half-ounce, advancing by one rate for each half-ounce.

Letters for the United Kingdom must be pre-paid, or they will be charged a fine of 3d. sterling in addition to the deficient postage, on delivery in England.

POSTAL DELIVERY.

The following arrangements, in connection with the Postal Delivery in the city of Montreal, took effect on 1st October, 1874:

1. The fees formerly charged on letters and papers delivered by Letter Carrier are abolished.

2. There are six deliveries daily, Sundays excepted, in the Central portions of the City, commencing respectively at 8.00 a.m., 11.00 a.m., 12.00 noon, 1.00 p.m., 2.00 p.m. and 3.30 p.m., and four deliveries in the other portions of the City, commencing at 8.30 a.m., 11.30 a.m., 1.30 p.m. and 3.30 p.m.; excepting however, in the more distant divisions in the Northern and Eastern portions of the City, in which there are only two deliveries, commencing at 8.30 a.m. and 1.30 p.m.

3. Letters and papers addressed to particular Streets and Numbers are delivered without delay by Letter Carrier.

4. Letters and papers addressed to Box and Drawer holders are, until otherwise ordered, delivered through the Boxes and

— General Agent, St. James Street, Montreal.

Drawers as usual. Should, however, such letters and papers be addressed to Streets and Numbers, they will be delivered by Letter Carrier, unless the Sorting Clerk should distinctly and promptly remember that the parties for whom intended are Box and Drawer holders. No letters or papers are placed in the Boxes or Drawers unless addressed either to the number of the Box or Drawer, or to the holder or to the care of the holder thereof.

5. Letters and papers addressed simply "Montreal," to parties who have neither Boxes or drawers, are delivered as expeditiously as circumstances will permit, either through the General Delivery or by Letter Carrier.

6. Persons desirous of receiving their letters and papers promptly by Letter Carrier, should request their correspondents to place on the addresses the Street and Number at which they are to be delivered, as otherwise they will be subject to delays, which it is impossible to avoid.

7. They should also provide themselves with small change for the payment of unpaid postage, as the Carriers (who are not allowed to give credit) cannot be detained for its collection. In the event of an unpaid letter or paper not being delivered in consequence of the party to whom addressed having no change, it will be taken back to the Office and sent out again for delivery as soon thereafter as practicable. If, on its being tendered a second time, the party to whom addressed is not provided with the postage, it will be sent to the General Delivery at the Head Office, where application for it will have to be made.

8. Persons having offices at which they desire their letters and papers to be delivered by Letter Carrier, should affix a letter box to the door, with an opening from the outside, as otherwise in case the office is closed, the letters and papers will be delayed until the next delivery. It would also be very desirable that, where convenient, letter boxes should be affixed to the doors of private residences.

9. Persons receiving their letters by Letter Carrier should, in the event of their removal, advise their correspondents, and at once send their new address in writing to the Postmaster.

10. Three Postal Receiving Offices have been established:—One in the East, at No. 358 St. Catherine Street; One in the North at No. 311 St. Lawrence Street; and one in the West, at No. 466 St. Joseph Street; to which the letters and papers will be conveyed by vehicle from the Head Office four times daily, viz: at 8.00 a.m., 11 a.m., 1 p.m., and 3.00 p.m., and distributed from thence by Letter Carrier at the hours already mentioned.

11. These Receiving Houses are also open for the sale of Postage Stamps and the reception of Registered and other mailable matter, from 8 a.m. to 6.00 p.m.

12. Collections are made from the Receiving Houses and Street Letter Boxes by vehicle, leaving the Head Office as follows:—For Receiving Offices, daily, Sundays excepted, at 8.00 a.m., 10 a.m., 11.00 a.m., 1.00 p.m., 3.00 p.m., 6.00 p.m., 8.30

The British Post Office forwards letters to Canada by the first packet sailing after the letter is posted, unless the letters bear a special direction,—“By Canadian Packet,” or “By British Packet,”—and in that case they are kept over for the packet designated. “By Canadian Mail” is not a distinctive superscription; for any mail for Canada is a “Canadian Mail,” by whatever packet forwarded.

To the United States, 1 cent per 2 oz., subject on delivery to U. S. postage.

Book packages must be open at both ends or both sides.

No prints or printed matter will be allowed to pass by book post between the United Kingdom and Canada, unless printed on paper, parchment or vellum.

Periodicals.—Periodicals published in Canada may be sent by post to any place in the Dominion at the following rates :

Weighing less than 1 oz., 1 cent.
not more than 4 oz., 1 "

To United Kingdom, 2 cents each.

Patterns.—Rates between Canada and United Kingdom and France, same as for Book Post. Patterns of merchandise cannot be sent to the United States.

Patterns or samples must not be of any intrinsic value; and this rule excludes all articles of a saleable nature, and whatever may have a value of its own, apart from its mere use as a pattern; nor must the quantity of any material or article sent as a pattern or sample be so great that it could have on this ground an intrinsic value.

Patterns, &c., must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs and such like, which cannot be sent in open covers, may be enclosed in bags of linen or other material, simply tied at the neck, or, provided that bags be transparent, they may be entirely closed, if they are for delivery within the United Kingdom. Bags, however, entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign parts.

A packet of patterns or samples sent to France or Portugal, must not exceed 18 inches in length and 12 inches in width or depth; a packet to any other place abroad must not exceed 24 inches in length, or 12 inches in breadth or depth.

The limits of weight are as follows :—

Canada 24 oz.	Belgium 8 oz.
Great Britain 24 "	Netherlands 16 "
France 36 "	Portugal 16 "
Germany 8 "	Denmark 48 "
Italy 36 "	Switzerland 48 "

" 1 $\frac{1}{2}$ lb. 37 $\frac{1}{2}$ "	" 3 $\frac{1}{2}$ lbs. 87 $\frac{1}{2}$ "
" 2 lbs. 50 "	" 4 lbs. \$1.00.

Registration Fee, —5 cents.

Parcels can only be sent by Post to places in Canada. Postage and registration fee must be pre-paid.

Transmission of Patterns and Samples within the Provinces of Canada.

Patterns or samples of merchandise and goods for sale may be posted in Canada to be forwarded to any place within the Dominion, on pre-payment by postage stamp of a rate of one cent per ounce, under the following regulations :—

I.—Patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and so forth, which cannot be sent in open covers,

may be enclosed in bags of linen or other material, fastened in such a manner that they may be readily opened, or in bags entirely closed, provided that they be transparent, so that the officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

II.—The packet may bear on the *outside* the address of the sender in addition to the address of the person for whom it may be intended—also a trade mark and numbers, and the price of the articles enclosed; *inside* there must be no enclosure but the samples or patterns themselves—the particulars, however, of the trade marks, numbers and price, may be marked on the articles themselves instead of on the outside of the packet, at the option of the sender.

III.—Any sample or pattern packet containing a letter, or otherwise violating the conditions of the preceding rules, is to be rated and treated as a letter.

IV.—The rate of 1 cent per ounce is to be pre-paid by postage stamp,—and if such rate be not fully pre-paid by the stamps affixed, the package is to be rated with the deficient postage, and a fine of 5 cents in addition.

V.—Packets of samples or patterns may be registered on pre-payment by postage stamp of a registration fee of 5 cents in addition to the postage rate—and provided such packets be duly handed in to the Post Office for registration.

A registration receipt or certificate should always be given for such packages when presented for registration.

VI.—No packet of samples or patterns must exceed 24 ounces in weight; any packet exceeding that weight is to be sent to the Postmaster-General.

Post Cards value one cent each, and Postage Stamps.—Postage Stamps of the respective value of $\frac{1}{2}$ cent for small periodicals; 1 cent for newspapers; 2 cents for prices current for the United Kingdom; 3 cents for ordinary Provincial letters; 6 cents for United States rate; 6 cents for Canadian Packet; and 8 cents for Cunard Packet,—are provided for sale to the public.

Penal Clause.—The Act contains the following penal clauses: To enclose a letter or letters, or any writing intended to serve the purpose of a letter, in a parcel posted for the parcel post, or to enclose a letter, or any writing, or make any written marks to serve the purpose of a letter, or to inclose any other thing in a newspaper, posted to pass as a newspaper, at the rate of postage applicable to newspapers, (except in the case of accounts and receipts of newspaper publishers, which are permitted to pass folded within the newspapers sent by them to their subscribers), is an offence punishable by a penalty of not less than ten and not exceeding forty dollars.

Money Orders on Canada.—All the Money Order Post Offices in Ontario, Quebec, New Brunswick, and Nova Scotia, are authorized to draw Money Orders on each other for any sum up to

To CONVERT PENCE INTO CENTS.—Add a cypher to any number of pence, and divide by 6. Example: To 44 pence add a cypher, 440; which, divided by 6, gives 73 2-6ths, say 73 cents.

To CONVERT CENTS INTO PENCE.—Multiply any number of cents by 6, and put off the last figure, which is tenths. Example: 73 cents multiplied by 6, gives 438, or 43 pence and 8-10ths, say 44 pence.

To CONVERT STERLING INTO CURRENCY.—To the given sum add 1-5th of itself, and 1-12th of that 1-5th.

In New Brunswick, the only game laws in force are those relating to moose and partridge. There was an act making it unlawful to kill deer on the Island of Grand Manan for a period of three years, but it expired June 8, 1868. The close season for moose only extends from 1st February to 1st May. Fine \$40, and anyone is empowered to kill any dog found hunting within

the prohibited time. Not more than two moose can be killed by any one person within a period of twelve months; \$12 for each offence. The killing, except for food, is prohibited, and the leaving the carcass in the woods subjects the offender to a fine of \$20. Partridges are not to be killed between 1st March and 1st September. The fishery regulations are the same as those of Ontario and Quebec, except that the close season for salmon is, for net fishing, from 15th August to 1st March, and fly surface-fishing, from 15th September to 1st March. The river Restigouche is made an exception, the close time being from 31st July to 1st May.

PROVINCE OF NOVA SCOTIA.

In Nova Scotia, Cap. 92 of the Revised Statutes provides that no moose shall be killed between January 1st and September 1st; no cariboo between March 1st and September 1st. The close time for partridges is from January 1st to September 1st, and for woodcock and snipe from March 1st to September 1st. The export of moose and cariboo hides is prohibited. Fine from \$20 to \$50, and forfeiture of game or hides. Otter, mink and muskrat not to be killed between 1st May and November, under a penalty of \$8. It is absolutely forbidden to kill robins, swallows, sparrows, &c., and birds of song. Penalty for each offence, \$1.

The following is a summary of the Game Laws in operation in the undermentioned Provinces. No amendment has been made to these laws since 1868:
